

Quality Policy

It is our policy to ensure the continual improvement of the Company's overall performance, and to aim towards satisfying the expectations and needs of our Customers. The Company is committed to satisfying applicable requirements.

To achieve this objective, the Company operates a Quality Management System that is described in the Management System Manual and satisfies the requirement of BS EN ISO 9001:2015. The Company is committed to the continual improvement of the Quality Management System.

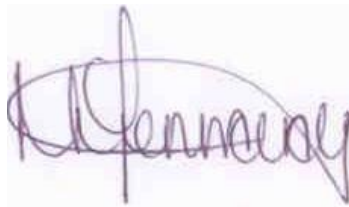

Adherence to this policy involves all of the Company's activities, products and services, and their effects.

This policy is understood, implemented and maintained at all levels within the organization.

The policy includes the setting and publication of our quality objectives and this policy is publicly available.

The Managing Director has the ultimate responsibility for the effective operation of the Quality Management System.
